

As a world leading food company DANONE stands for international success. Around 104.000 employees work on all five continents in the four business areas Fresh Dairy Products, Early Life Nutrition, Waters and Advanced Medical Nutrition on one corporate mission: "Bringing health through food to as many people as possible."

You are looking for fulfillment? For our **Early Life Nutrition Division** in Puch (Austria), Domdidier (Switzerland) or Bad Homburg (Germany, near Frankfurt am Main) we are looking for you as of now as

INTERN (M/F) PROJECT MANAGEMENT & COMMUNICATION

YOUR MISSION

Project management:

- ✧ Support the project leader in operational project management (process mapping, timeline tracking)
- ✧ Assist in the further development and support of the required project management tools
- ✧ Coordination and preparation of project meetings
- ✧ Development of internal templates for different process areas
- ✧ Preparation of presentations for the Steering Committee
- ✧ Development of reports and analysis of the data

Communication & Change Management:

- ✧ Support for the internal communication tools (eg. preparation of employee meeting presentations, editing of articles for the internal newsletter)
- ✧ Support for internal activation of the process

YOUR PROFILE

- ✧ Advanced bachelor's / master's degree in economics or other relevant courses (eg. supply chain or production management)
- ✧ First experience in project management or business case analysis
- ✧ High communication skills and joy to actively and creatively contribute
- ✧ A self-reliant approach, high operational readiness and team spirit
- ✧ Very good German and English skills (French is an advantage)
- ✧ Good knowledge of MS Office (Word, Excel, PowerPoint)
- ✧ Flexibility and mobility for travel to Austria and Switzerland

WHAT'S IN FOR YOU?

With us, you could learn and develop yourself in a collaborative and empowering environment. Fulfilling both personal growth and professional development is part of our DNA.

You want to create your most meaningful journey at Danone? Join our Supply Chain Team team. We are looking forward to your [online application](#). Your contact person is Lina Haase.
