

We are looking for you to join our team in Düsseldorf:
**Internship / Working Student Corporate
Strategy (m/w/d)**

This is your role:

- Assist in the strategic development of the entire SLV Lighting Group
- Provide market and competition analyses, preparing your results and presenting them to the management
- Support the management in strategic projects and questions and manage your sub-projects independently
- Prepare analyses and presentations as a basis for the decision-making process for the management
- You will work closely with the head of the strategy department and regularly coordinate your tasks with the relevant divisions and international units of the group

These are your skills:

- You are an enrolled student in the field of business administration, economics or a similar field of study (Master preferred)
- Ideally, you have already gained some practical experience in the field of strategy, management consulting or a similar environment
- You are available for at least 4-6 months (intern) or 20 hours per week (working student)
- Strong analytical and conceptual skills as well as a structured way of thinking and working
- Comprehensive Microsoft Office applications skills (especially PowerPoint and Excel)
- Excellent language skills in Englisch (German language skills are an advantage)
- Light and lighting inspires you just as much as strategic subjects in medium-sized businesses

COMPANY

SLV Lighting Group is a market leader in the lighting industry, with 650 employees across 13 countries. We are dedicated to creating future-proof lighting solutions that reflect the latest trends in the industry. Our products ensure a perfect ambience by delivering exceptional light quality. Our innovative solutions are used in both residential and commercial settings (indoor as well as outdoor). Our five main brands—Knightsbridge, Nordtronic, Novalux, SLV and UNEX—each bring something unique and complementary to SLV Lighting Group, ranging from easy-to-install fixtures to high-quality, customised solutions. SLV Lighting Group provides an integrated platform that enables synergies across group companies. This includes our three state-of-the-art laboratories, local knowledge, market access and logistics.

FACTS

Location: Düsseldorf
