

IE University Undergraduate Exchange Course Offer 2020/21

This is a tentative list of subjects that might be available for AY 21/22 based on what was offered on past academic years to incoming students. This list can be shared with exchange students for subject validation purposes, however kindly note this is not a final list and we cannot guarantee that any the courses here listed will be offered this coming academic year.

Final Academic information such as final list of courses and syllabi will be available on IE Campus later on the semester (blackboard) to which students will receive access upon admission to IE University.

First come first serve system applies during enrollment and we **cannot guarantee the availability of any course!**

Students are required to register at least **70 % of the courses based on their study area/major**, being able to take up to 30 % of their credits from a different study area (depending on availability and overlaps).

1 ECTS credit = 25 hours of work including classes and related academic activities.

Maximum ECTS credits per semester: 30 ECTS + 3 language credits. Students may take less than 30 ECTS if allowed by their Home University, as minimum enrollment credits are set by home institutions.

Some courses have prerequisites and students need to make sure they comply with them before enrolling.
